

CREATE YOUR SPRING NAILS STYLE

Crazy Daisy

SWAROVSKI

Crazy Daisy

Nail this season's floral look with a pale palette sprinkled with daisies for daytime. Then dial up the after-dark drama with a black base studded with shimmering crystal petals.

Get Ready!

To create these pieces you'll need the following products:

Swarovski crystals you need

Step-by-step Instructions

01

02

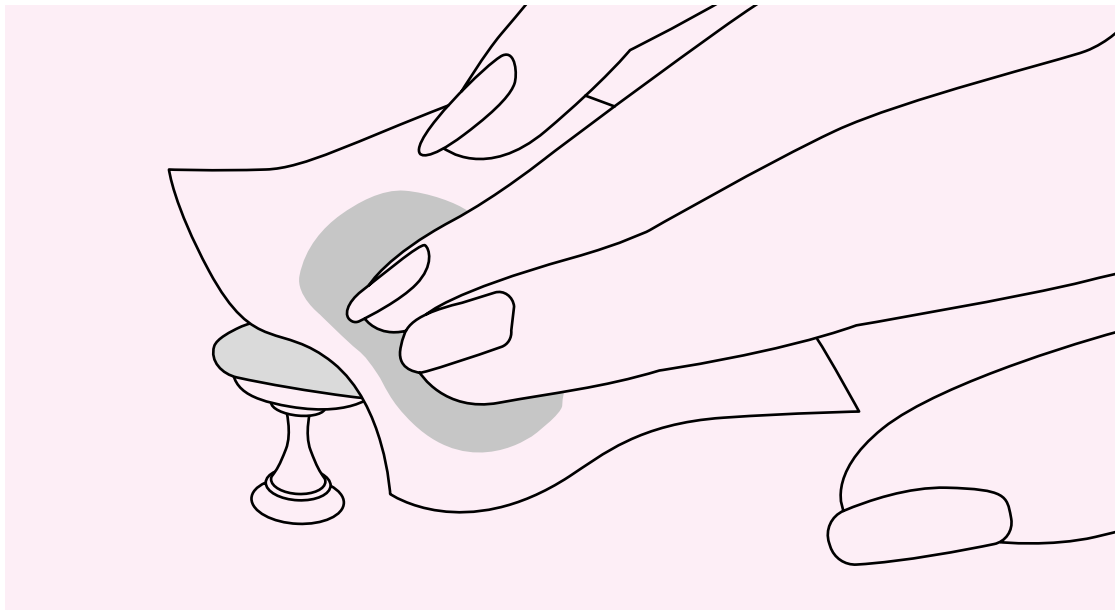

Step-by-step Instructions

03

Apply one more layer of base & finish gel to your nails and let them dry under the UV lamp for a few minutes.

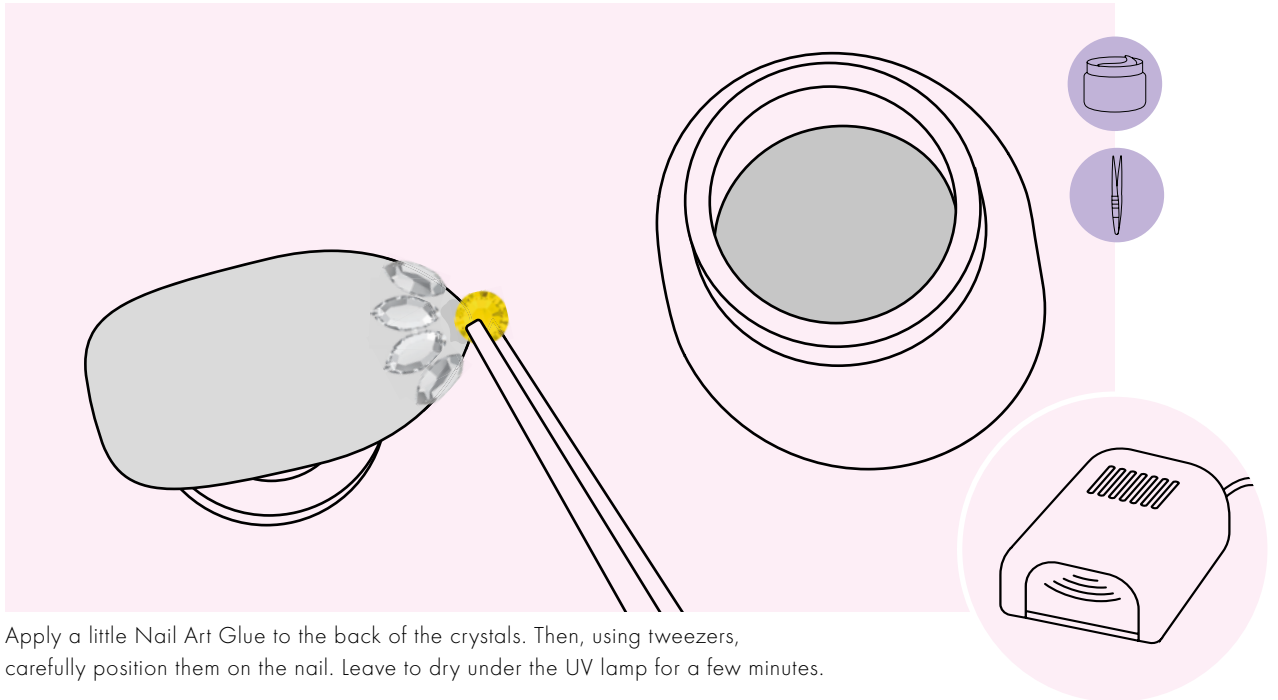

04

Using a cotton pad, clean the nails with gel cleaner. Now you're ready to start decorating them.

Step-by-step Instructions

05

Apply a little Nail Art Glue to the back of the crystals. Then, using tweezers, carefully position them on the nail. Leave to dry under the UV lamp for a few minutes.

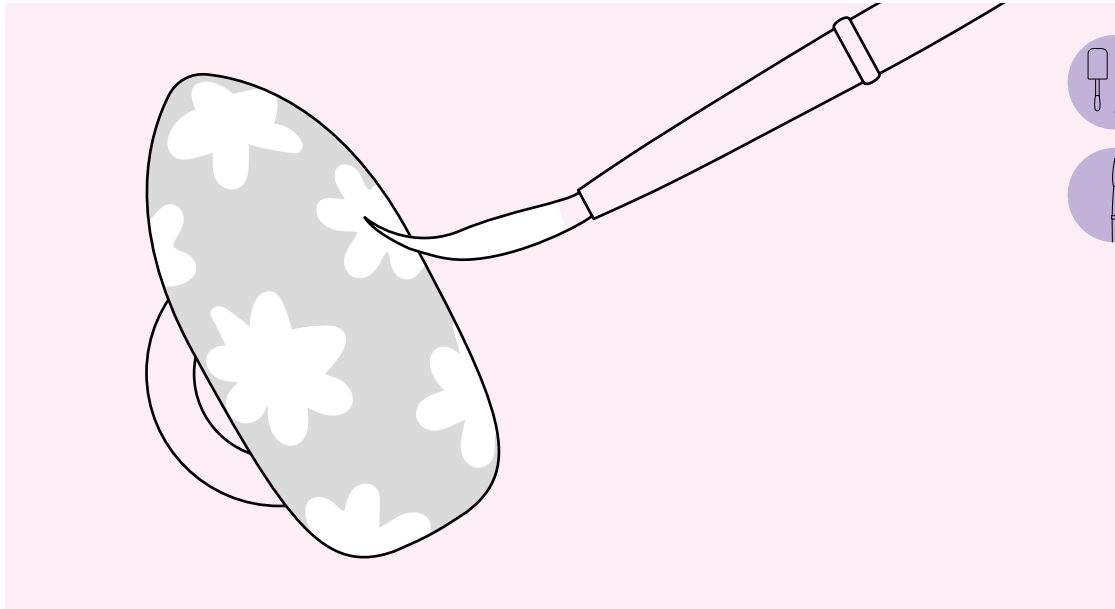

06

Repeat Step 05 to create these nail designs.

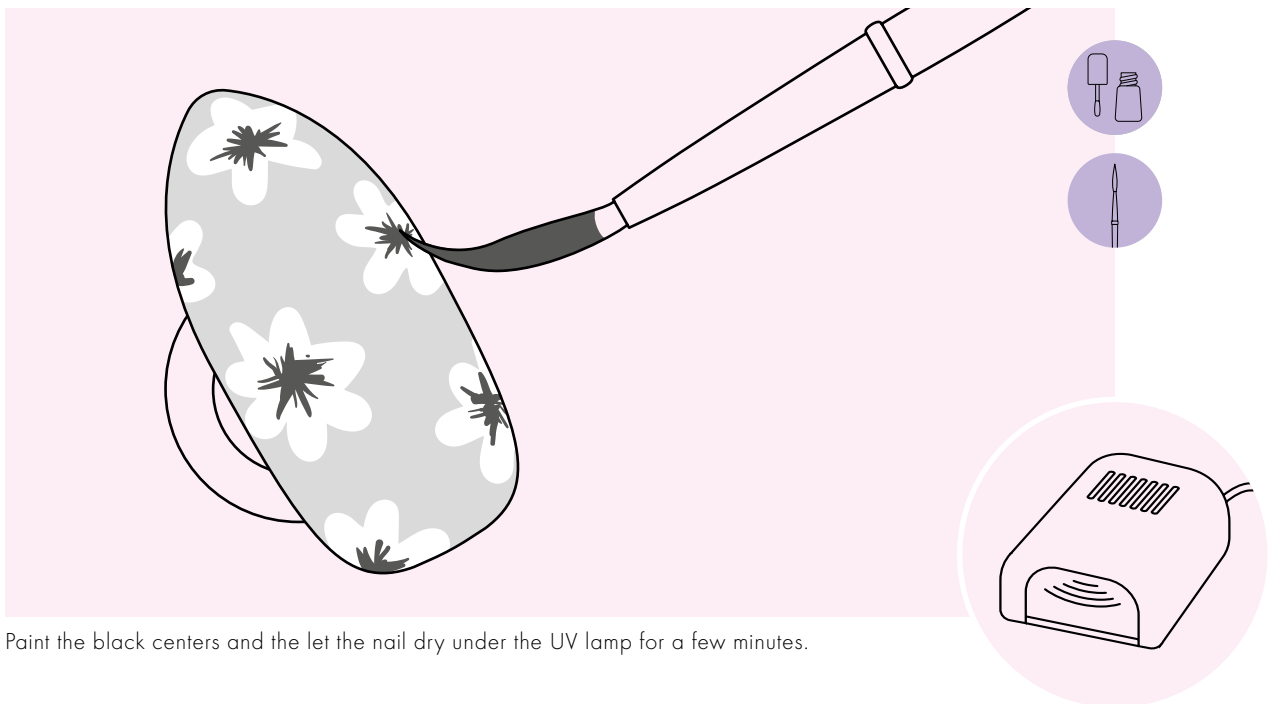

Step-by-step Instructions

07

Using the small brush, paint the white flowers on the nail.

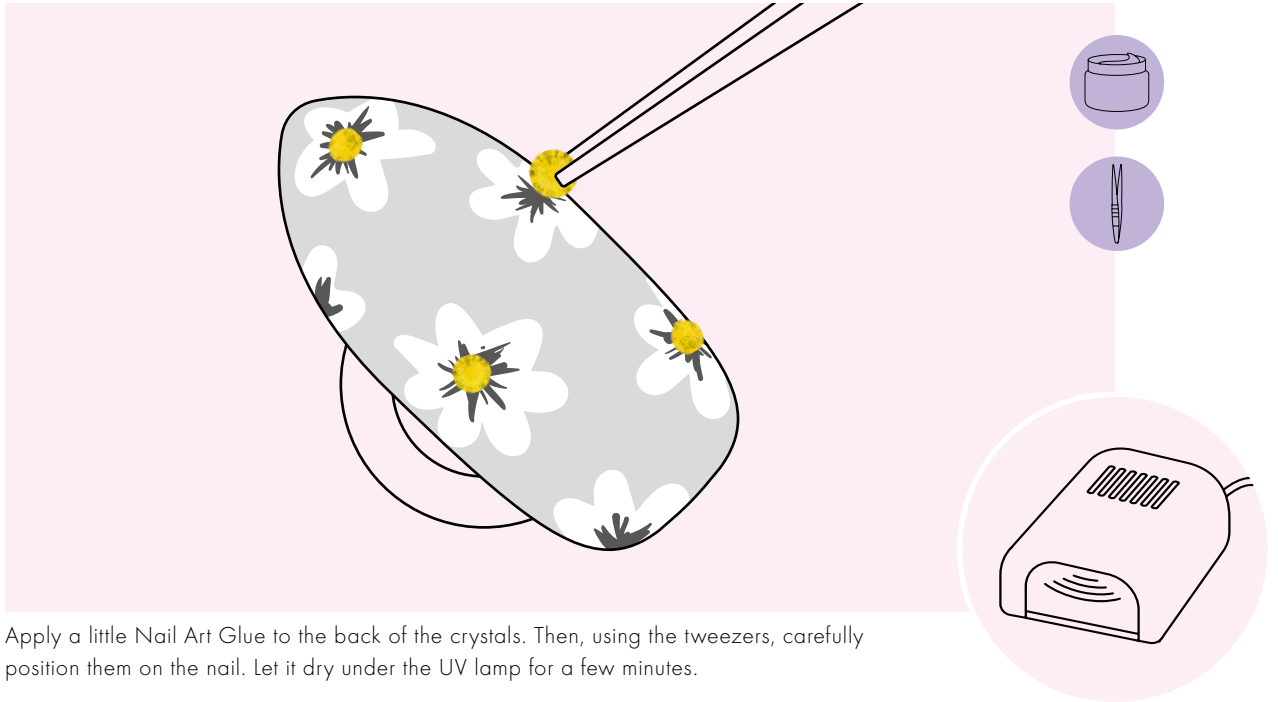

08

Paint the black centers and the let the nail dry under the UV lamp for a few minutes.

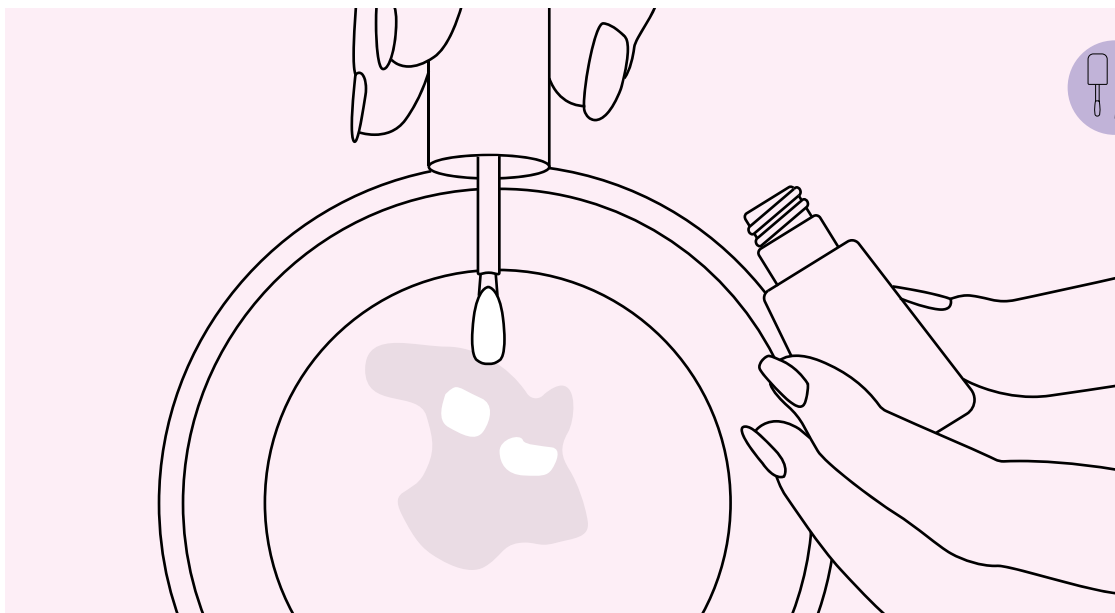

Step-by-step Instructions

09

Apply a little Nail Art Glue to the back of the crystals. Then, using the tweezers, carefully position them on the nail. Let it dry under the UV lamp for a few minutes.

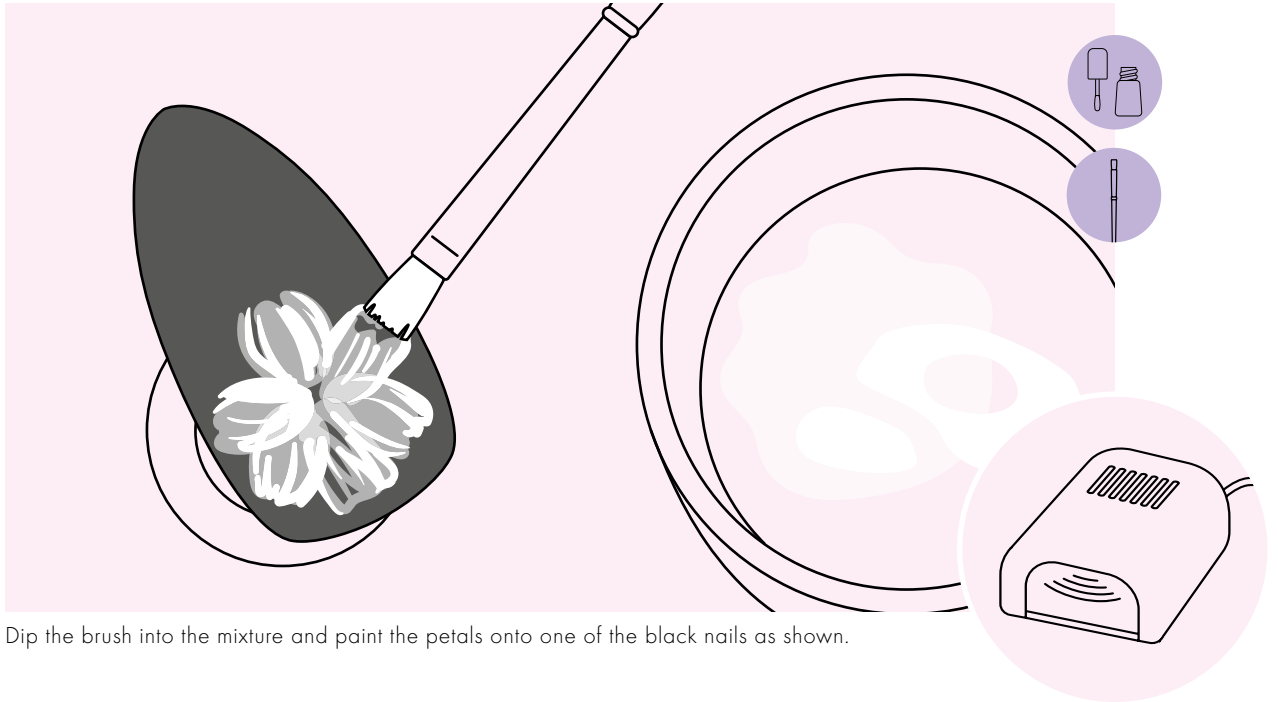

10

Place a small amount of water in a small pot or container and add two drops of white nail gel polish.

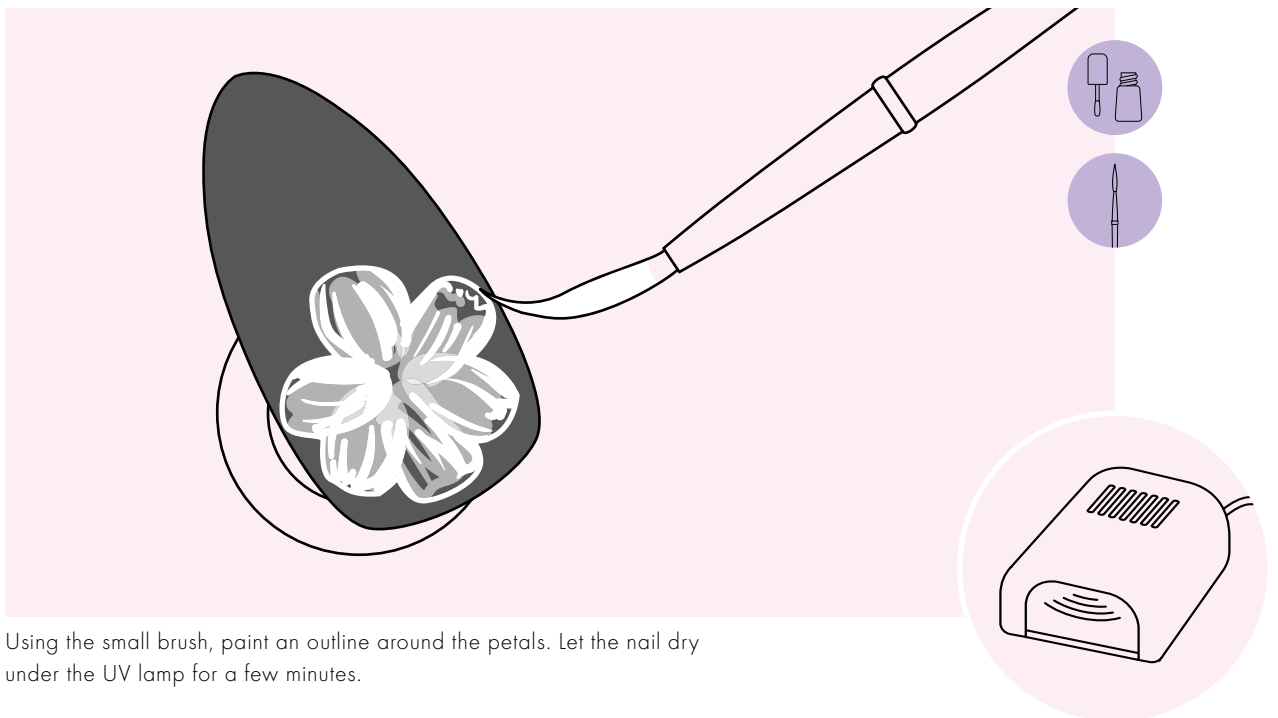

Step-by-step Instructions

11

Dip the brush into the mixture and paint the petals onto one of the black nails as shown.

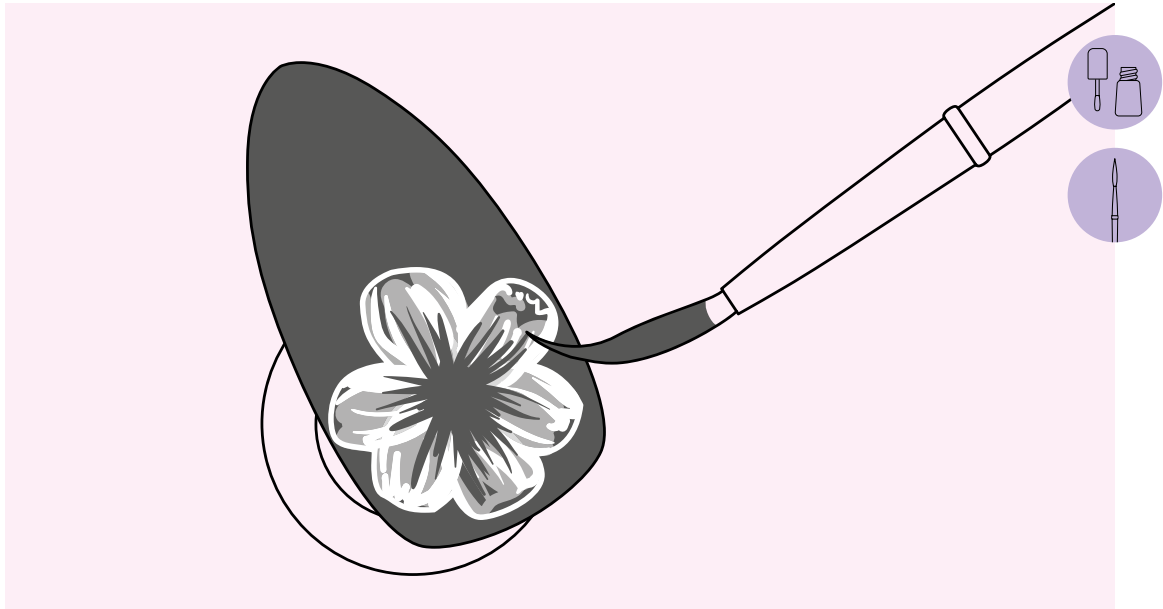

12

Using the small brush, paint an outline around the petals. Let the nail dry under the UV lamp for a few minutes.

Step-by-step Instructions

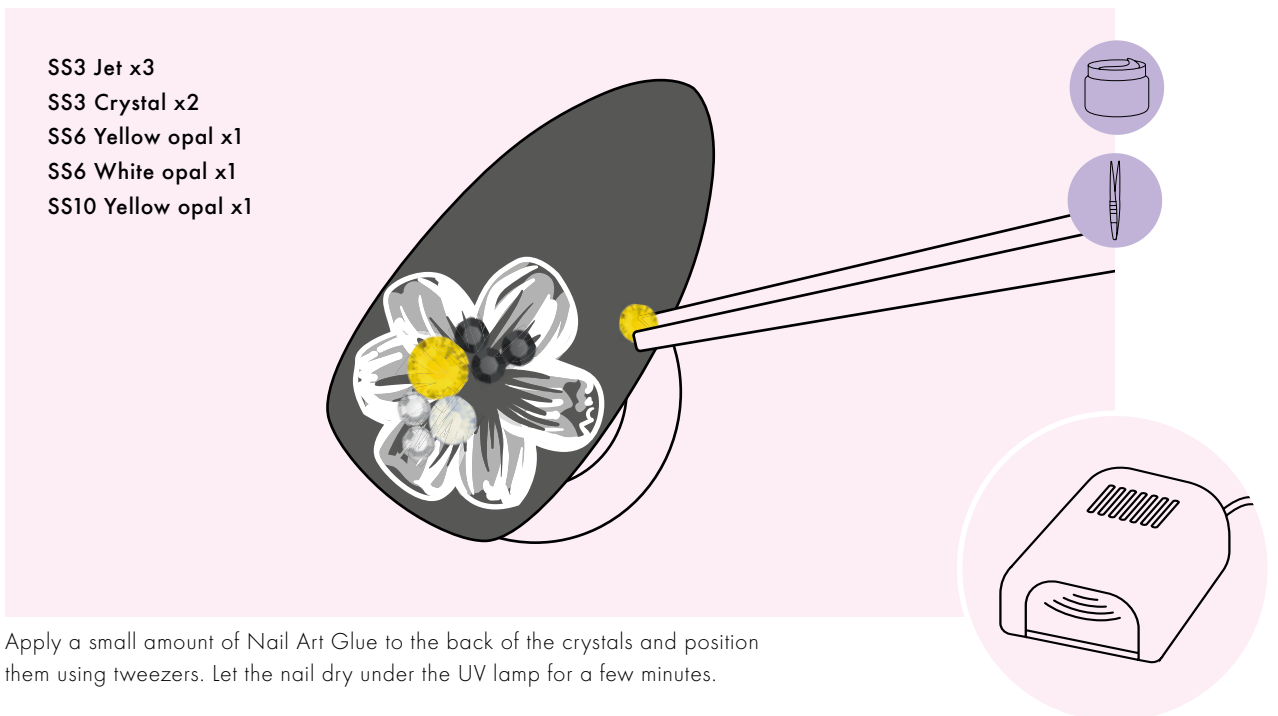

13

Paint the core with black nail polish.

14

SS3 Jet x3
SS3 Crystal x2
SS6 Yellow opal x1
SS6 White opal x1
SS10 Yellow opal x1

Apply a small amount of Nail Art Glue to the back of the crystals and position them using tweezers. Let the nail dry under the UV lamp for a few minutes.

Step-by-step Instructions

15

Repeat steps 11–14 to create the other flower designs.

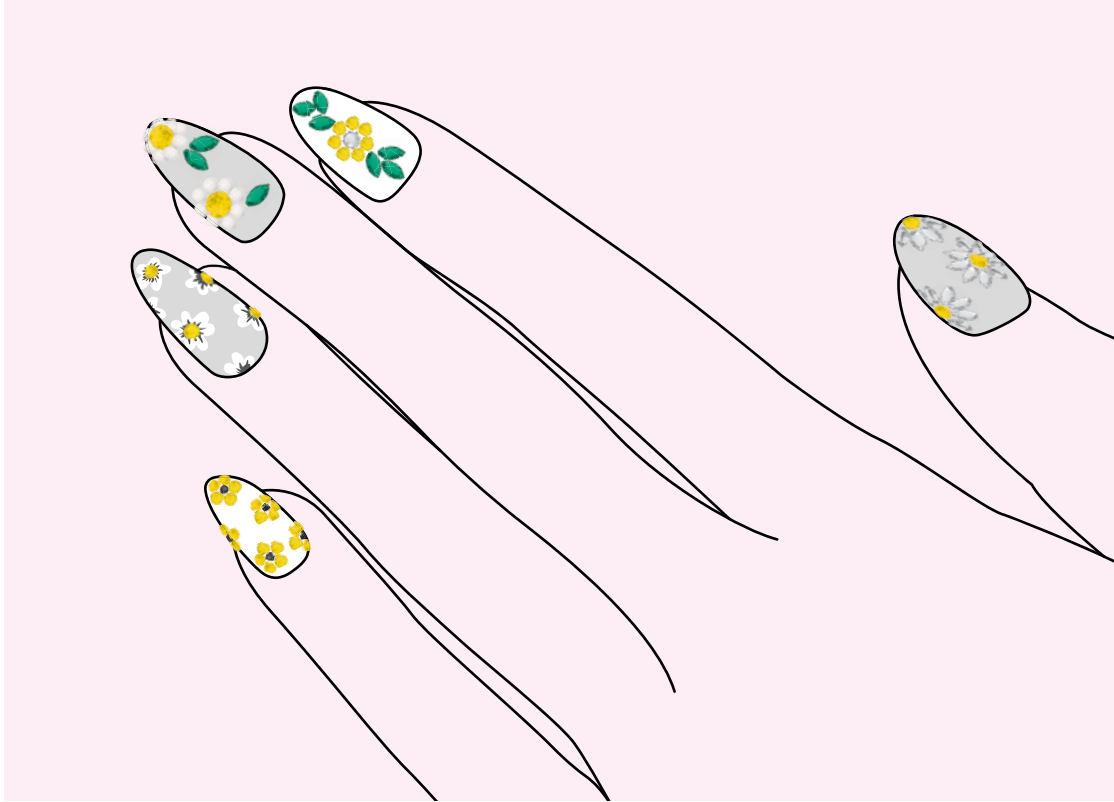

16

Repeat the painting steps for the other flowers.

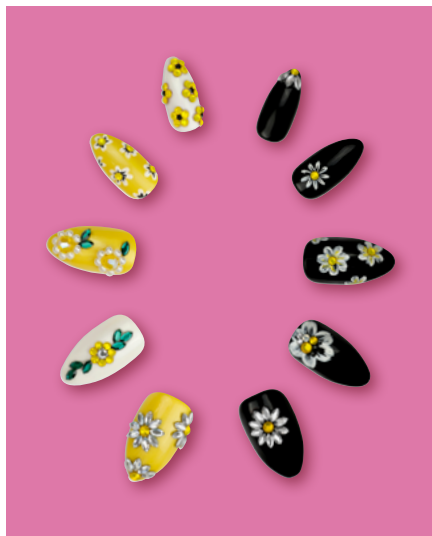

Step-by-step Instructions
